#### Freeman Grammar Students - 5th and 6th Grade

Identifier: 11234

Title: Freeman Grammar Students - 5th and 6th Grade

Type: Image, Photograph, Photographic Print

Subject: People

Organizations, School Institution

Description: "This is a picture of the 5th and 6th graders at the Freeman Grammar School taken in 1916. It appears to be a special occasion with the flowers on the desk and the students all looking so serious as their photograph is being taken. This room is located upstairs at Harbor House on the side of the building next to the Lawrence S. Robinson Co.

I attended the 4th and 5th grades in that room. It was sunnier than the rooms on the north side of the building, so when my fourth grade teacher, Gladys Whitmore, retired the fifth grade teacher, Bertha Reed, seized the opportunity to move the fifth grade across the hall. I recall feeling a bit disappointed at first that I would not get to be in a different room in the fifth grade, but as I like lots of sun, I think overall I lucked out after all." - Meredith Hutchins 01/24/2012
