"Ned Lawson's House (Formerly Clark/Dix Store)

This, too, was once part of Lot #21. As I wrote in the Harbor View House description, this whole lot was owned by John M. and Nancy T. Gott. On 26 June 1854 John M. Gott sold to Nathan Adam Reed (son of William and Sarah Appleton Reed) for \$100.00, 3 acres of land, starting at a spruce tree on the highway, running East 12 rods to Sullivan Webster's Northwest line, following this line 40 rods to a ledge, thence West 12 rods, thence South 40 rods to the first bound.

Then, on 16 March 1857, Nathan A. Reed sold to William G. Norwood a 3/4 acre lot for only \$20.00. It began at the county road at a stone in Sullivan Webster's West line, thence North 37 degrees West 12 rods, thence North 26 degrees East 10 1/2 rods, thence South 55 1/2 degrees East 12 1/4 rods to Webster's line, thence South 30 degrees West 14 rods to the first bound; Nathan Reed to have the privilege of a road from his land to the county road across said described land near to William G. Norwood's house. This deed was signed by N. A. Reed and Sarah B. Reed, his wife, before Jacob Sawyer, Justice of the peace, and Ali Garland.
