Description: The view is from the Pemetic Hotel (The Castle) and, on the Southwest Harbor side, shows the Clarence Clark (Ellsbet/Heilaka) house left foreground.

The long roofed building in the center, next to the harbor, a bowling alley after World War II - currently the Hamilton Marine building.

The building on the right with the striped roof is the firm of Clark & Parker/Manset Marine Supply Co./ and the Oceanarium since 1979. The Oceanarium is the oldest commercial building on Clark Point - the only one extant except the Clarence Clark House.

The Manset shore is in the background with discernible landmarks, including the Manset Union Church, the Stanley wharf, the early Stanley House and numerous commercial buildings on the Shore Road. There are about 30 schooners visible in the harbor and tied up at the wharves.
